

COMPETE Good Practice Assessment for Bioenergy Projects

General data

1. Name of Assessor _____
2. Institution _____
3. Date of Assessment _____
4. Name of Project _____
5. Contact name at project _____
6. Place of Project _____

7. Characteristics of Project

Tick if project is a initiative from :

private community government NGO other

8. State how do you know the project

a) information in annex b) field trip a) and b) other
 specify other _____

9. After reading the characteristics of the project (in Annex) please assess the following principles according to the scale:

- 1 The project does not consider this principle (0%)
- 2 The project covers this principle partially <30%
- 3 The project covers partially this principle in 30-70%
- 4 The project covers partially this principle in >70%
- 5 The project fully covers the principle (100%)

Principle	Name	Score
1	Good agro-ecological and forestry practices (biodiversity, soil)	<input type="text"/>
Comments	_____ _____ _____	
2	Not affecting water supply and quality	<input type="text"/>
Comments	_____ _____ _____	
3	No land use change that detrimentally affects food security	<input type="text"/>
Comments	_____ _____ _____	
4	Community participation (from planning)	<input type="text"/>
Comments	_____ _____ _____	
5	Women's participation (from planning)	<input type="text"/>
Comments	_____ _____ _____	
6	Skills transfer (management, business, agriculture)	<input type="text"/>
Comments	_____ _____ _____	
7	Community inclusion in business or economic model (Contract with investor or NGO)	<input type="text"/>
Comments	_____ _____ _____	
		<input type="text"/>

8	Added value in the community (individual, money, assets, land, co-products)	
Comments		
9	Improvement in services and infrastructure (energy supply, health) reinvestment of revenue within the community	<input type="text"/>
Comments		
10	Compliance with National policies and/or guidelines for bioenergy projects in place	<input type="text"/>
Comments		
11	Compliance with Local programmes, regulations and/or plans in place	<input type="text"/>
Comments		
12	Respect Land rights and avoid displacement	<input type="text"/>
Comments
